Introduction

This publication contains the names of people buried in sixteen cemeteries which are mostly close to border of Alberta and Saskatchewan around Oyen and Loverna, Saskatchewan. The surname listing gives the cemetery number (in brackets) and plot number for each burial. This is followed by a plot listing for each cemetery.

Key No. 6 - Mount Pleasant Cemetery, Loverna Saskatchewan

Loverna is one mile east of the Saskatchewan border and 12 miles east of Esther. Clifford de Wolfe and members of the AGS Medicine Hat Branch recorded this cemetery.

Key No. 18 Acadia Valley Cemetery, Acadia Valley (L-8)

SW-26-25-02W4

The cemetery is located approximately 5 miles east of the Village of Acadia Valley on land donated by the late Mac McGhee, an early pioneer resident. The cemetery entry has large iron gates. The monuments face in scattered direction of east and west. Prior to 1928 burials were made in the Empress Cemetery

Originally Acadia Valley was simply called 25-2 as that was the land location of the post office run by the Peers sisters, great aunts to the present municipal secretary, Murray Peers. The name Acadia was chosen by several families who came from Nova Scotia, which had originally been called Acadia. Mr. Warren Peers was the first official Post Master and the post office was in the Peers family for a total of 59 years until 1971 when Ken Peers was transferred to a larger centre. The present Municipal District of Acadia # 34 is part of the Palliser Triangle in east central Alberta known as the dry belt. The first settlers filed on land on 1909 and 1910, Those early winters were very cold with temperatures staying around the 50 degrees below zero. Driftwood from the river 20 miles away was the only fuel to keep the shacks warm.

The first burial was an infant Ferguson in February 1930 and the most recent burial as list in this publication was that of Allan Cameron in September 1990. The 93 names of this cemetery were recorded by Betty Penner and Vera Hauck, members of the Brooks and District Genealogical Society, in July 1991.

More information about the area and the people may be found in the local history book "*Times to remember -- Acadia Valley*" printed 1981.

At the time of the recording of this cemetery the caretaker kept a ringbinder with many historical notes and newspaper obituaries of the interred. This ringbinder was photo-copied and put into the cemetery files of the Alberta Genealogical Society.

Key No. 1237 - St Peter And St Paul Cemetery, Acadia Valley (L-8)

SE-14-24-02-W4

This cemetery is located approximately 10 miles south and east of Acadia Valley. In 1918 the area residents decided to build a church and a cemetery on this property which was donated by area pioneer Paul Shubert.

Reverend Father Stefanski, a Polish Count before entering the priesthood in Empress, served this St Peter and St Paul from 1939 to 1950. It was while he was here that cross was erected in the cemetery and Bishop Carroll came out from Calgary to consecrate the church and the graveyard.

The earliest burial recorded in this cemetery was Grandma Katherine Pawlak in 1917. And the most recent burial is that of Frank Vincent Rafa who died in July 1991.

Betty Penner and Vera Hauck of the AGS, Brooks Branch, recorded the 107 names in this cemetery in July 1991.
